NEW Plant Stem Cell Facial

Choose from one of our NEW Plant Stem Cell Facials based on your skin's needs.

\$50	Plant Stem Cell Facial / 60 minute service
\$60	Plant Stem Cell Facial / 90 minute service

Hydrating Facial / Uses cactus fruit + hyaluronic acid to immediately double skin's hydration, instantly improving the appearance of fine, dry lines and wrinkles.

Luminizing Facial / Uses snow lotus + alpha hydroxy acids to instantly dissolve surface cells, leaving skin more radiant and luminous.

Pore Refining Facial / Uses sweet clover + beta hydroxy acid to reduce the appearance of pore size, leaving skin instantly smoother and more purified.

Aveda's Plant-Powered Alternative to Microdermabrasion and Chemical Peels

A plant-powered alternative to microdermabrasion and glycolic chemical peels.

\$60	Dual Exfoliation Peel / 60 minutes
\$65	Dual Exfoliation Peel / 90 minutes

In clinical studies, this treatment achieved better results than a combined microdermabrasion - 30% glycolic peel in both immediate and prolonged smoothness and radiance.

All services are performed by supervised students. Services are offered to women, men and children age 6 or older. Each child under the age of 12 must be accompanied by an adult who is not receiving a service.

*Pricing is based on individual client needs, length, condition of hair, multiple colors used, etc. Final pricing will be quoted during the service consultation. Services include finish.
